

Chihuahua, Chihuahua, June 9, 2009 – Grupo Cementos de Chihuahua, S.A.B. de C.V. (“GCC” or the “Company”) (BMV: GCC*) today announced that it has not finalized negotiations with its main creditors regarding certain obligations of the Company, resulting in early maturity of payment obligations with certain of its creditors. The Company will continue negotiations in order to reaching a satisfactory agreement.

The Company will periodically report on the progress of those negotiations.

GCC also reports that it completed the process of obtaining a revolving credit line of up to US\$30 million with Banco Nacional de Comercio Exterior, S.N.C. (Bancomext), for a period of 4 years.

About GCC

GCC is a leading supplier of cement, aggregates, concrete and construction-related services in Mexico and the United States, and holds a significant share in Bolivia’s largest cement company. The Company’s annual cement production capacity is 4.9 million tons.

Founded in 1941, the Company’s shares trade on the Mexican Stock Exchange under the ticker symbol GCC*.

This document contains forward-looking statements relating to Grupo Cementos de Chihuahua S.A.B. de C.V. and subsidiaries (GCC) based upon management projections. These projections reflect GCC’s opinion on future events that may be subject to a number of risks and uncertainties. Various factors may cause actual results to differ from those expressed herein, including, among others, changes in macroeconomic, political, governmental or business conditions in the markets where GCC operates; changes in interest rates, inflation rates and currency exchange rates; construction industry performance; pricing, business strategy and other factors. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. GCC assumes no obligation to update or correct the information contained in this press release.
