To Our Valued **Oil Well Cement** Customers:

We thank you for your ongoing support and especially thank you for your business. Our pledge is to be a leader in environmental and social responsibility, innovation, and product availability.

For your planning purposes, our product prices will increase as follows:

Effective Date	Product Type	Price Increase
July 1, 2024	Bulk Cement, Fly Ash & all Specialty Products	\$15.00 per short ton
	Any Packaged products	\$0.70 per small bag or \$15.00 per bulk bag

GCC will continue to provide notice and immediately pass along any freight rate increases we receive from carriers.

We strive to work together with you to provide resilient materials and innovative solutions in order to build a better future together. Please refer any questions to your local Market Manager. Thank you again for choosing GCC.

Best Regards,

Jody Funk
Regional Sales Manager
